# 2<sup>ND</sup> KIDNEY TRANSPLANTATION COURSE

*Nephrology & Surgery*

November 21-23, 2019

Hilton Hotel Kozyatağı, Istanbul • Turkey

[www.tonv.org.tr](http://www.tonv.org.tr)

# GENERAL INFORMATION

## Objectives

- To **have a command** of basic terminology in kidney transplantation
- To **get** an update about diagnosis and current management of the medical and surgical complications of kidney transplantation
- To **understand** how to improve the short and the long-term outcomes of kidney transplant recipients
- To **assess** kidney donors with complex medical history
- To **individualize** treatment according to the needs of kidney transplant patients
- To **facilitate** exchanging of best practices and to develop an international networking
- To **promote** the implementation of knowledge and to acquire competences in order to set up and sustain an effective kidney transplant program

## Methodology

To improve theory by learning through experience and educational technology;

- Theoretical Lectures
- Interactive Learning
  - Live Surgery
  - Live Broadcast
  - Educational Cases

## Target Group

- Consultant and trainee transplant surgeons
- Consultant and trainee nephrologists

## Content

This training course program covers the basic and advanced aspects of kidney transplantation giving participants an opportunity to acquire comprehensive knowledge and skills on the following topics:

- Ethical and legal aspects of organ donation and transplantation
- Assessment of recipient and donors
- Transplantation immunology
- Clinical management of medical complications in kidney transplantation
- Management of surgical complications in kidney transplantation
- Organ allocation policies, matching and paired donation
- Setting up a kidney transplant program
- Developing an existing kidney transplant program

## Academic Qualification

After successful completion of this course, participants will receive a certificate of accomplishment issued by the International Transplant Network, ESOT, Health Sciences University.
