2ND TRANSPLANT NURSING COURSE

November 25-29, 2019

Hilton Hotel Kozyatağı, Istanbul • Turkey

www.tonv.org.tr

GENERAL INFORMATION

Objectives

- To **present and discuss** scope and standards of organ transplant nursing
- To **merge** theory and practice of transplant nursing
- To **present and understand** guidelines for pre-transplant evaluation and preparation of the transplant candidate
- To **analyze and discuss standardized care plans and guidelines** regarding post- transplant care of the transplant recipients and longterm management of the patient
- To **promote and suggest a plan for** quality improvement of transplant care at one's own transplant unit
- To **facilitate best practice exchange** within transplant nursing
- To **present a strategy for** medical and psychosocial screening of a possible candidate for donation and preparing for living liver kidney/bone marrow donation and follow up after donation
- To promote leadership in transplant nursing

Methodology

Based on learning through experience, acknowledging that practice improves theory:

- Theoretical Lectures
- Interactive Learning
 - Peer learning and group working
 - Human patient simulation
 - Scenario discussion
 - Nurses' experiences sharing

Target Group

- **Transplant nurses** involved in organ transplantation, particularly those working in referral units such as: emergency department, intensive care units, postoperative recovery, postoperative surgery clinics and transplantations units for long term monitor and care
- **Transplant nurses** wishing to update their knowledge and reinforce their skills.

Content

The training program covers the fundamental aspects of organ (kidney and liver) transplantation enabling participants to acquire a wide knowledge and skills on the following topics:

- Fundamental issues in organ living and post mortal organ donation and transplantation
- Ethics, legal, organizational and religious aspects of transplantation
- Scope and standards of transplant nursing
- Immunosuppressive medication and side effects (like diabetes, cancer, hypertension)
- Caring for the kidney transplant recipients
- Caring for the liver transplant recipients and paired donation
- Caring for the kidney living donor
- Caring for the liver living donor
- Caring for the bone marrow transplant recipients
- The psychosocial issues in transplantation
- Health education and health improvement in transplant recipients - long-term care
- The perioperative management of pediatric transplant recipients

Academic Qualification

Upon successful completion of the training program participants will receive a certificate accomplishment issued by the International Transplant Network and Health Sciences University.

In Collaboration with

Chairs

Merdiye Şendir, *Turkey*
Co-chair

Ashi Firouzi, *UK*
Co-chair

Elif Bülbül, *Turkey*
Co-chair

Sabine Gryp, *Belgium*
Co-chair

Academic Board and Faculty

Merdiye Şendir, *Turkey*
Ashi Firouzi, *UK*
Deniz Öztekin, *Turkey*
Ender Dulundu, *Turkey*
Fatma Bilgin, *Turkey*
Hacer Özel, *Turkey*
Kelly Muller, *The Netherlands*
Rabiye Güney, *Turkey*
Sanem Çimen, *Turkey*
Sema Kuğuoğlu, *Turkey*
Sonay Baltacı Göktaş, *Turkey*
Öykü Kara, *Turkey*
Gamze Temiz, *Turkey*
Eda Ünal, *Turkey*
Sibel Yılmaz Şahin, *Turkey*

Arzu Kader Harmancı Seren, *Turkey*
Ayşe Kobak, *Turkey*
Elif Bülbül, *Turkey*
Gamze Yıldırım, *Turkey*
Emin Barış Akin, *Turkey*
Gül Dikeç, *Turkey*
Işık Özgür, *Turkey*
Merve Kolcu, *Turkey*
Sabine Gryp, *Belgium*
Şefika Yazar, *Turkey*

Sheila Russell, *UK*
David Shaw, *UK*
Deniz Heppekcan, *Turkey*

National and international healthcare professionals with a high level of expertise in the transplantation nursing field. Considering their teaching experience, they will guide participants and provide them personalized feedback through lectures, and discussions.

Academic Coordination

Elif Bülbül, *Turkey*

Gamze Yıldırım, *Turkey*

PROGRAM

Monday, November 25, 2019

1st
Day

08:00-09:00 **Registration**

09:00-09:15 **Welcome&Course Introduction**

Elif Bülbül, Turkey

■ 09:15-09:30 **ITN Project Introduction**

Gamze Yıldırım, Turkey

■ 09:30-10:00 **Pre-Evaluation Test and Planning of Peer Learning**

Elif Bülbül, Turkey

10:00-10:20 **Coffee Break**

■ 10:30-11:30 **International Perspective in Transplant Nursing, Challenges of Future**

Arzu Kader Harmancı Seren, Turkey

■ 11:30-12:00 **Global situation on Organ Donation and Transplantation**

Emin Barış Akin, Turkey

12:00-13:00 **Lunch**

■ 13:00-14:00 **Legal Aspect of Organ Donation and Transplantation**

Murat Volkan Dülger, Turkey

■ 14:00-15:00 **Ethical and Psychosocial Aspects of Transplantation**

David Shaw, UK

15:00-15:30 **Coffee Break**

■ 15:30-16:30 **Scope and Standards of Organ Transplantation Nursing**

Ashi Firouzi, UK

■ 16:30-17:00 **Roles and Responsibilities of Nurses in Living Donation Process**

Eda Ünal, Turkey

■ 17:00-18:00 **Cultural Awareness in Organ Transplantation**

Sema Kuşuoğlu, Turkey

PROGRAM

Tuesday, November 26, 2019

2nd
Day

- | | |
|---------------|--|
| 08:30-09:15 | General Aspects of Deceased Organ Donation and Organ Transplantation
Deniz Heppekcan, Turkey |
| ■ 09:15-10:00 | Preoperative Surgical Live Donor Screening
Kelly Muller, The Netherlands |
| 10:00-10:20 | Coffee Break |
| ■ 10:30-11:00 | Pre Transplant Evaluation of Kidney Transplant Recipient
Elif Bülbül, Turkey |
| ■ 11:00-12:00 | Kidney Transplant Surgery
Sanem Çimen, Turkey |
| 12:00-13:00 | Lunch |
| ■ 13:00-13:30 | Pre-Transplant Evaluation of Liver Transplant Candidate
Sibel Yılmaz Şahin, Turkey |
| ■ 13:30-14:30 | Liver Transplant Surgery
Ender Dulundu, Turkey |
| ■ 14:30-15:30 | General Aspect of Nursing Practices in Transplant Surgery

15:10-15:30	Coffee Break
■ 15:30-16:30	Discharge Education and Long-term Care of Transplant Recipients Sheila Russell, UK
■ 16:30-18:00	Peer Learning
■ 17:30-18:00	Country Presentations
19:30	Gala Dinner

PROGRAM

Thursday, November 28, 2019

4rd
Day

- 08:30-09:30 What a Nurse Needs to Know about Immunosuppressive Medication and Strategies to Manage Medication Adherence
Sabine Gryp, Belgium
-
- 09:30-10:00 Set up a New Transplant Unit and Teamwork in Transplantation
Işık Özgür, Turkey
- 10:00-10:30 Coffee Break
-
- 10:30-11:15 Public Education and Social Awareness for Organ Donation
Merve Kolcu, Turkey
-
- 11:30-12:00 Communication With Transplant Recipient and Family
Gül Dikeç, Turkey
- 12:00-13:00 Lunch
-
- 13:00-13:45 Clinical Management in Transplantation, (Example of Hospital)
Işık Özgür, Turkey
-
- 13:45-14:30 Professional Responsibilities and Action Plan Making with Participants for Home Country
Arzu Kader Harmancı Seren, Turkey
- 15:00-15:30 Coffee Break
-
- 15:30-18:30 Hospital Visits
- Comprehensive transplant center 1 (Group 1)
 - Comprehensive transplant center 2 (Group 2)
 - Comprehensive transplant center 3 (Group 3)
 - Comprehensive transplant center 4 (Group 4)

Friday, November 29, 2019

5th
Day

- 08:30-12:00 Standardized Patient Simulation Group Working Presentations
Country Presentation
Şefika Yazar, Turkey
Elif Bülbül, Turkey
- 12:00-13:00 Lunch
-
- 13:00-13:30 Post-Test
-
- 13:30-14:00 Get Feed-back About Training Program
-
- 14:00-15:30 Certificate Awarding and Closing Ceremony
